

1. Send an SMS with the text OGIEK to 20880
2. You'll receive a menu listing options 1–8 (preset) and 9 (AI-generated).
3. Reply with your selection:
  - **1–8**: You'll instantly get the corresponding preset response.
  - **9**: You'll be prompted to type your own question.
4. If you picked **9**, send your question in a follow-up SMS. You'll then receive an AI-generated answer via SMS. This may take some time depending on traffic size.
